Historical Context

The mid-1990s witnessed a surge in 3D fighting games, with titles like Virtua Fighter and Tekken leading the charge. Max Alina's arsenal of special moves is equally impressive. Her signature "Fatal Claws" attack unleashes a flurry of claw swipes that can decimate an opponent's health bar. "Scarlet Cyclone" is a devastating spinning attack that can clear out multiple enemies simultaneously, while "Fatal Scissors" is a powerful throw that inflicts massive damage.
