In Jujutsu Kaisen Vol 10 Evening Festival, the students of Tokyo Jujutsu High face a harrowing new threat: a vengeful spirit that has possessed one of their own. As they investigate the mystery behind the spirit's rampage, they uncover a dark and twisted history that will test their limits and challenge their beliefs.

The volume opens with a seemingly ordinary evening festival. The students are enjoying the festivities, unaware of the danger that lurks nearby. But when one of their own is suddenly possessed by a vengeful spirit, the mood quickly turns sinister.

The possessed student, Megumi Fushiguro, attacks his friends and classmates without mercy. The students are forced to fight back, but they are no match for the powerful spirit that has taken control of Megumi's body.

As the students desperately try to save Megumi, they learn more about the vengeful spirit. They discover that it is the ghost of a young woman who was murdered many years ago. The spirit has been seeking revenge ever since, and it will stop at nothing to get it.

The students soon realize that they are in over their heads. The vengeful spirit is too powerful for them to defeat on their own. They must find a way to break the spirit's hold on Megumi, or he will be lost forever.

A Test of Faith

As the students struggle to save Megumi, they are forced to confront their own beliefs. They must question their faith in themselves and in their abilities. They must also come to terms with the darkness that exists in the world.
