* A pencil * A piece of paper * An eraser

Step-by-Step Instructions

How to Draw a Sneaker

1. Start by drawing a circle. This will form the toe of the sneaker.
2. Next, draw a curved line from the top of the circle to the bottom. This will form the heel of the sneaker.
3. Add a small line at the bottom of the heel to represent the sole of the sneaker.
4. Draw another curved line from the top of the circle to the bottom, parallel to the first line. This will form the side of the sneaker.
5. Add a small line at the bottom of the side to represent the sole of the sneaker.
6. Draw a short line at the top of the sneaker to represent the laces.
7. Add two small lines at the bottom of the laces to represent the tips of the laces.
8. Color in your sneaker using your favorite colors.

How to Draw a Boot

1. Start by drawing a rectangle. This will form the body of the boot.
2. Next, draw a curved line from the top of the rectangle to the bottom. This will form the toe of the boot.
3. Add a small line at the bottom of the toe to represent the sole of the boot.
4. Draw another curved line from the top of the rectangle to the bottom, parallel to the first line. This will form the side of the boot.
5. Add a small line at the bottom of the side to represent the sole of the boot.
6. Draw a short line at the top of the boot to represent the laces.
7. Add two small lines at the bottom of the laces to represent the tips of the laces.
8. Color in your boot using your favorite colors.

How to Draw a Sandal

1. Start by drawing a circle. This will form the sole of the sandal.
2. Next, draw two curved lines from the top of the circle to the bottom. These will form the straps of the sandal.
3. Add a small line at the bottom of each strap to represent the buckle of the sandal.
4. Draw a small circle on the

top of each strap to represent the rivet of the sandal. 5. Color in your sandal using your favorite colors.

How to Draw a High Heel

1. Start by drawing a circle. This will form the toe of the high heel. 2. Next, draw a curved line from the top of the circle to the bottom. This will form the heel of the high heel. 3. Add a small line at the bottom of the heel to represent the sole of the high heel. 4. Draw another curved line from the top of the circle to the bottom, parallel to the first line. This will form the side of the high heel. 5. Add a small line at the bottom of the side to represent the sole of the high heel. 6. Draw a short line at the top of the high heel to represent the strap. 7. Add two small lines at the bottom of the strap to represent the tips of the strap. 8. Color in your high heel using your favorite colors.

Congratulations! You have now learned how to draw four different types of shoes. With a little practice, you will be able to draw any type of shoe you can imagine. So get creative and have fun!
