**The President Is Missing** is a political thriller novel co-written by former President Bill Clinton and James Patterson. The novel follows the story of President Jonathan Lincoln Duncan, who goes missing after a terrorist attack on the White House. The novel explores the themes of political corruption, international intrigue, and the power of the presidency.

## Plot Summary

The novel opens with a terrorist attack on the White House. President Duncan is rushed to a secret bunker, but he soon goes missing. The Secret Service is tasked with finding the president, but they are hampered by political infighting and a lack of cooperation from the White House staff.

As the investigation into the president's disappearance continues, a series of suspicious events occur. The president's personal assistant is found dead, and his wife is kidnapped. The Secret Service begins to suspect that the president's disappearance may be an inside job.

The investigation eventually leads to a group of corrupt politicians and businessmen who are plotting to overthrow the government. The group is led by a ruthless billionaire who is determined to become president at any cost.

With the help of a few loyal allies, the Secret Service must race against time to find the president and stop the plot to overthrow the government.

## Themes

**The President Is Missing** explores a number of important themes, including:

- **Political corruption:** The novel exposes the corrupt underbelly of American politics. The characters in the novel are willing to do anything to gain power, even if it means betraying their country.
- **International intrigue:** The novel also explores the world of international intrigue. The characters in the novel are involved in a dangerous plot to overthrow the government, and they are willing to use any means necessary to achieve their goals.
- **The power of the presidency:** The novel also explores the power of the presidency. The president is the most powerful person in the world, and the novel shows how that power can be used for good or for evil.

## Characters

**The President Is Missing** features a cast of complex and well-developed characters. The main characters include:

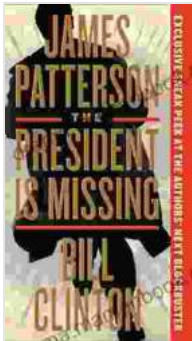

- **President Jonathan Lincoln Duncan:** The president is a charismatic and intelligent leader who is dedicated to serving his country. However, he is also naive and trusting, and he is easily manipulated by those who seek to exploit him.
- **Secret Service Agent Mike Banning:** Banning is a highly skilled and dedicated Secret Service agent who is fiercely loyal to the president. He is determined to find the president and bring him back safely.
- **First Lady Ashley Duncan:** The first lady is a strong and independent woman who is fiercely protective of her husband. She is also a skilled politician, and she uses her influence to help the president achieve his goals.
- **Vice President Edward Martin:** The vice president is a ruthless and ambitious politician who is determined to become president. He is willing to do anything to achieve his goals, even if it means betraying his country.

## Reception

**The President Is Missing** was a critical and commercial success. The novel was praised for its fast-paced plot, complex characters, and timely themes. The novel also debuted at number one on the New York Times Best Seller list.

**The President Is Missing** is a gripping thriller that explores the themes of political corruption, international intrigue, and the power of the presidency.

The novel features a cast of complex and well-developed characters, and it is sure to keep readers on the edge of their seats from beginning to end.
