

The Roses of May: A Novel by The Collector

The Roses of May is a novel by The Collector. It was first published in 1963 and tells the story of a young woman named May who is kidnapped and held captive by a man named Frederick. The novel explores the themes of love, obsession, and the nature of evil.

Frederick is a lonely and isolated man who works as a bank clerk. He has a crush on a young woman named May, and one day he decides to kidnap her. He takes her to a remote cottage in the countryside, and he holds her captive for several months.

May is terrified and confused, but she eventually begins to feel sorry for Frederick. She realizes that he is a lonely and desperate man, and she tries to help him. However, Frederick's obsession with her grows stronger and stronger, and he becomes increasingly violent.

In the end, May is able to escape from Frederick's clutches. However, she is forever changed by her experience. She has lost her innocence and her trust in others.

- **May:** A young woman who is kidnapped and held captive by Frederick. She is a kind and compassionate person, but she is also strong and resourceful.
- **Frederick:** A lonely and isolated man who kidnaps May. He is obsessed with her, and he becomes increasingly violent as his obsession grows.
- **Gillian:** May's sister. She is a strong and supportive woman who helps May to escape from Frederick's clutches.

The *Roses of May* explores the following themes:

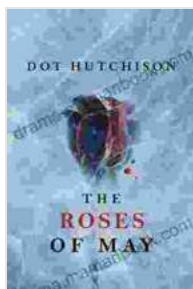

- **Love:** Frederick's love for May is a twisted and obsessive love. It is not based on mutual respect and affection, but on Frederick's need to possess and control her.
- **Obsession:** Frederick's obsession with May consumes his life. He is willing to do anything to keep her captive, even if it means hurting her.
- **Evil:** Frederick is a deeply evil character. He is capable of great cruelty and violence. His actions are driven by his own selfishness and his desire to control others.

The *Roses of May* received mixed reviews from critics. Some praised the novel's suspenseful plot and well-developed characters. Others criticized the novel's violence and its portrayal of women.

Despite the mixed reviews, *The Roses of May* has become a classic of crime fiction. It is a disturbing and thought-provoking novel that explores the dark side of human nature.

The Roses of May has been adapted into two films. The first film was released in 1972 and starred Britt Ekland and Terence Stamp. The second film was released in 2015 and starred Mia Wasikowska and Toby Kebbell.

The Roses of May is a powerful and disturbing novel that has had a lasting impact on popular culture. It is a classic of crime fiction and a must-read for anyone interested in the dark side of human nature.
